How to run this HH! Moment (1-3 minutes)

When to use it

At the start of a team meeting. It takes 2 minutes and keeps the team connected to the habit they are currently practising together.

How it works

- Select one anonymous reflection from the team Reflection Wall.
- Share it with the group.
- Give people a moment to read & reflect.

Why it helps

Sometimes a single reflection can highlight patterns, tensions, or small wins that many people recognise. Hearing the team's voice can bring awareness that numbers or reports don't capture.

Tips

Allow a short pause after sharing it. Often the reflection will resonate without needing further explanation.
